V&A Brompton Flowering Kale Terracotta

Composition: 65% Cotton 35% Linen

Repeat: Horizontal 69.0cm Vertical 40.1cm

Martindale: 35000

Care: Professional Clean Only

Description: Attractive floral tree design with a block-printed look, inspired by a cotton textile produced about 1670-99 and refreshed in 10 soft contemporary colourings. With a Dutch feel, this floral pattern is named after the ornamental and extravagantly ruffled vegetation growing from the stylised tree of life.
