Spill Resistant RHS Gertrude Jekyll Small Trailing Vine Duck Egg

Composition: 100% Polyester

Repeat: Horizontal 27.5cm Vertical 61.0cm

Martindale: 40000

Care: Professional Clean Only

Description: A companion to the larger trailing vine design, and based on the same wallpaper pattern painted by Jekyll in 1875. This version plays with scale, creating a more diminutive design and reverses the print of the original.
